STUDENT SATISFACTION SURVEY ANALYSIS REPORT-2015-16

In the current academic session, IQAC conducted an eight point student satisfaction survey. IQAC conducted this survey on 32 students to know about their level of satisfaction with regard to different activities of the College. The following are the findings of the student satisfaction survey. All the students were almost satisfied that they were oriented about the expectations/ competencies they should develop on completion of the Programme. 34 % strongly agreed and 66% agreed that teaching theory courses help them to become aware about the working of schools in the country. 34 % strongly agreed and 60% agreed that they got an exposure to different modes of teaching-learning in the college. However, 6% students expressed dissatisfaction. 56 % strongly satisfied and 44% satisfied that activities organised in the college help them to develop mandatory competencies to become a teacher. 15 % strongly agreed and 71% agreed that they were prepared in the college for the teaching- practice in schools. However, 14% students expressed dissatisfaction. 31 % strongly agreed and 62% agreed that the internal evaluation system in the college was relevant. However, 7% students expressed dissatisfaction. 43 % strongly agreed and 53% agreed that the qualities of teaching learning and Evaluation processes in the College were satisfactory. However, 4% students expressed dissatisfaction. 62 % strongly agreed and 34% agreed that the mentoring system in the college help them to resolve the problems faced by them. However, 4% students expressed dissatisfaction. The findings of the survey was discussed with faculty members and other staff members in meeting called by IQAC and Principal collectively. In the meeting, it was decided that more focus will be given on different modes of teaching-learning in the college, micro-teaching and lesson planning, internal evaluation system and mentoring system of the college.
